

#1 Strong
Creeping Red
Fescue in
2003 NTEP

Where legends begin in improved fine fescue

Epic is the newest and most versatile improved strong creeping red fescue on the market in the past decade. Its rich, dark green color makes it perfect for shaded lawns and low maintenance turf across North America.

Performance Characteristics

- Top NTEP Performance
- Endophyte enhanced
- Rich dark green color
- Drought tolerance
- Tolerates infertile, acidic soil
- #1 creeper in 2003 NTEP
